

# SHREWSBURY INTERNATIONAL SCHOOL

HONG KONG

Policy Title:	Board of Governors Objectives
Policy Section:	Section B: Governance, Leadership and Ownership
Approval:	Board of Governors
Publish to:	Policy Compendium Parent Portal School Website

The Objectives of the Board of Governors are:-

1. To provide advice and insight to the Principal of the School and to the School Management Committee;
2. To review, scrutinise and comment critically on the reports and documents received at termly meetings according to the Framework of Governance contained in the Rules of the Board of Governors (the current Framework is attached as an Appendix);
3. To request the Principal to provide information covering issues of concern or of note which are not normally provided to the Board of Governors under the Framework of Governance;
4. To receive and discuss representations made to the Board of Governors from members of the School community;
5. To receive and consider reports on any matters that might materially affect the reputation of the School;
6. To be familiar with the policies of the School and participate in the policy review cycle;
7. To receive and review parent and staff and other survey data as appropriate;

8. To participate in the recruitment and appointment process of any new Principal of the School;
9. To help promote, foster and maintain good relations with Shrewsbury School in the UK;
10. To review annually the Board of Governors' own effectiveness.
